

Image Access has created three bundles for the new WideTEK 36CL scanner which offer maximum value at a very attractive price. All bundles come with two years limited warranty plus one year of our *Full Coverage Warranty*, the most complete warranty in the industry. Each bundle is targeted for a special application but can also be upgraded to another bundle with the purchase of a few options. All bundles include software and a built in PC, no external equipment needed.

Get big savings on these bundles compared to the prices of the individual parts.

For your conversion projects WideTEK 36CL-600-BDL1

The WT36CL-600-BDL1 bundle was designed for conversion projects which require extensive scanning, automatic file naming, indexing and batch scanning capabilities. It includes an ergonomic floorstand and an adjustable paper catch. This configuration is intended to be used with external software like our Batch Scan Wizard which is included in the bundle.

- ✓ Built in Linux quad core PC with 8GB memory and 128GB SSD, no extra hardware required to operate scanner.
- ✓ 1GB standard TCP/IP network interface.
- ✓ Antistatic, easy to clean stainless steel paper path.
- ✓ Choose between EasyScan or the professional ScanWizard and operate from the 7" touchscreen.
- ✓ Batch Scan Wizard for high volume projects.

A walk up scanning solution WideTEK 36CL-600-BDL2

The WT36CL-600-BDL2 bundle is the perfect walk up scanning solution for self-service applications in just about any location. In addition to the features of the BDL1 bundle, it comes with a full HD 22" touchscreen attached to the floor stand via a user adjustable monitor arm. Operation and full display of the scans make this configuration the preferred choice for walk up applications.

- ✓ 22" full HD touchscreen for convenient operation.
- ✓ One click processing, copy, save and more with only one customizable button. Other functions are also customizable.
- ✓ User defined scanning templates for various jobs & tasks.
- ✓ Job mode for scanning multiple sets of drawings.
- ✓ ScanWizard runs on external touchscreen.
- ✓ Batch Scan Wizard for high volume projects.

A multifunction copier/printer WideTEK 36CL-600-MFP

If copying directly to wide format printers is your main application but you still want to be able to use the scanner for walk up and larger scanning jobs, the WT36CL-600-MFP bundle is the right choice. Since the printer connection is via Gigabit network, printers can be kept separate and the user can enjoy the ergonomics of a free standing scanner, even in a different room.

- ✓ PrintWizard ,the Image Control Center for scanning, printing and folding with all machines fully integrated.
- ✓ Support for Canon iPF, iPF Pro Series, ColorWave and PlotWave, HP DesignJet and PageWide. More to come.
- ✓ Communication with printers through standard TCP/IP network in parallel to CAD or other workstations.
- ✓ No need to operate scanner and printer in same room.
